

Trustee Role is Crucial to the Foundation

The primary purpose of the Tennessee Baptist Foundation is to assist our people, churches and convention in laying a strong financial foundation under those institutions, causes and agencies supported by the churches of The Tennessee Baptist Convention. This purpose is fulfilled by encouraging and promoting the establishment of living trusts, testamentary trusts, gifts and bequests, and by assisting our institutions in managing endowment and scholarship funds. The Foundation needs qualified and competent people to help promote its work with Tennessee Baptists, ensure accountability to Tennessee Baptists, establish and oversee policies by which the Foundation operates and monitor the investment and management of funds entrusted to the Foundation's care. Trustees are expected to:

1. Attend orientation planned by The Tennessee Baptist Convention as well as an orientation session planned by the Foundation.
2. Attend the Annual Trustee's Meeting in December, Semi Annual Meeting in May, as well as any other meeting which might be necessary.
3. Attend and actively participate in the meetings of the committees to which they are assigned.
4. Support the work and ministry of the Foundation with their prayers, time, and expertise.

Serving as a Foundation trustee is both an honor and a sacred trust. The counsel and faithful service of the trustees greatly strengthens the Foundation's work. The confidence, support and friendship of those we serve are essential to the Foundation's ministry and progress.

Meet our 2009-2010 Trustees . . .

The Board of Trustees for the Tennessee Baptist Foundation are elected by the Convention and charged with giving oversight to the integrity and work of the Foundation. Each trustee is an active member of his or her local Baptist church. Because the Foundation is a financial institution its board members are heavily weighted from various financial backgrounds. Our trustees do a marvelous job blending and balancing the spiritual nature of our task with sound financial policies and practices.
